

FRESH Updates

Week 34 - August 15

GAMBLES 

GOOD BUYS

- Lettuce
- Oranges
- Potatoes
- Kiwi (Gold)
- Carrots

Apples & Pears

Apples - Apples are coming from Washington and the quality is still strong. Local apples are just starting with the first of Jersey Mac available.

Pears - Good quality on Bartlett and Bosc pears from California. Pears from Washington are just getting started next week. Contact your sales representative for more information.

Kiwi

New Zealand Gold and Chilean green Kiwi are currently in stock! The quality is excellent! Available in bulk and/or clamshell. Contact your sales representative for details.

Cherries

Washington and BC cherries are in their last week. Don't miss it!

Avocados

It's the best time to promote avocados. Ideal for fresh, summer salads! Ask about our Ripe & Ready program. Contact your sales representative for more details.

Papaya

The Formosa variety of Papaya is currently being sourced from Guatemala. Gambles is now offering a ripening program with papaya to tailor fit to the customer's preference. Supply is tight for the next week. For more details, please contact your sales representative.

Bananas & Plantains

We are keeping Bananas fresh! Greener fruit for your shelf to keep longer shelf life at your stores.

Plantain supply is back to normal!

Mangoes

Gambles is offering both Haden and Keitt variety of Red Mango. Ataulfo will be in very limited supply. Contact your sales representative to reserve your mangoes today!

Melons

Cantaloupe & Honeydew: We are now fully into California crops, with very large sizing. Most availability this season will be Jumbo 9ct as the heat this year has rapidly grown the crops. Also, there is now the local Musk Cantaloupe available

Pineapples

Pineapple supply will be extremely tight and will be stay the same until later August. Prices will increase for all SKUs. Mexican Pineapple can be offered as an alternative to Cota Rican Fruit. All sizes in general for both conventional /organic are harder to find, so reach out to your sales rep ASAP to reserve your Mexican fruit!

Grapes

Green Grapes - The green seedless crop has come on heavy, with strong volumes of Ivory, Sugraone, and Valley Pearl still available. While we've had a few hot days, growing conditions have been ideal, leading to excellent overall size and quality. Many growers will start packing Sweet Globes and Great Greens over the next two week.

Black Grapes - New Crop California Summer Royals are now available on the market following up with Sweet Sapphire Variety in a couple of weeks.

Red Grapes - The market is moving away from Flames toward newer varieties with better size and quality. Retailers prefer these. Scarlet Royals are now being packed, with Krissey and early Allison's following. Red Globes have also started, with arrivals expected early next week.

Strawberries

Higher temperatures are causing to tiers of product. This will continue throughout August as the higher temperatures will fluctuate the market. Contact your sales rep for more updates.

Watermelon

Local Melons are in full swing, with availability in larger 45ct & 36ct sizing. The season will not be too long so enjoy them now including the sweetest local Melon, the Sugar Baby! Ask your sales rep for more info.

Blackberries

Blackberries haven't bounced back correctly from the issues in the US, leaving a large gap in the market as Mexico rotates crops. Expect this to continue for a few weeks.
